March 2011

Destiny & Dominion Children Ministry

Dear Parents,

To God be the glory for His faithfulness to us in the Children Ministry.

Praise Report:

- The parent volunteer program kicked off in February with 10 parents. Their volunteering has been a great help to us.
- A speaker system was donated to us by a member of the church. This has greatly enhanced our worship time tremendously.
- The February child & parent class had 15 children and 12 parents in attendance, while the parent seminar had 13 parents in attendance.

Upcoming Events:

- The next child & parent class is on Respect. We will be teaching your children what respect is and how to be respectful.
- The next parent seminar is on godly discipline. We will be examining the biblical principles with practical tips on discipline in the home. Child care will be provided.

(For logistics reasons, the march classes will only hold on Saturday. See the flyers for details.)

At-Home Companion Resources are now available. The At-Home **Being Saved** Curriculum is a first of its kind resource for parents to use to follow up at home what the children are being taught at church or as a stand alone. Each is a colourful, exciting and bible based curriculum written in age appropriate language to explain the process of salvation. Usage starts Sunday, March 6, 2011.

For any question, comment or suggestion, please feel free to contact us. We are here to serve. God bless you.
